Department Head Reports Kathleen Osborne – 911

She had a quote for the new EMA/911 building. The company being River Group Architecture, strongly suggests using steel joists and blocks for a secure building. The bids are due on Monday for the demo of the old jail.

Joe Whitaker - EMA

He requested an additional appropriation for 2 generators to run at the Luke Bryan Concert on September 16, 2021. The request would not be approved until next month's meeting, so he would like the Auditor to be allowed to pay it in advance.

An event Ordinance needs to be in place, so that proper planning can take place prior to an event. Marty Webb from Tippecanoe County says there is an Ordinance out there for events like this and he will pass it along to him to look over.

Garth Kagels has had planning meetings with Event Coordinator and they have assured him that they will be paying his employees, not the County.

Garth Kagels - EMS

Since there is a shortage in employees, he and Jeff have had to work the truck on extra shifts and their normal work schedules. They are asking for the part time pay of \$17.50 an hour for those extra shifts.

The Council said that the policy would need to be changed before that could happen. He was told the Commissioner are responsible for policy.

The Council had an overview discussion on the budgets that were presented at the last meeting in preparation for the Budget adoption next month.
