HEARING REGARDING THE DESIGNATION OF AN ECONOMIC REVITALIZATION AREA

Hearing Opened at 9:00 a.m.

Public Comment:

There were many questions in regards to approving the economic revitalization area and on the tax abatement, if granted. Questions were answered by members of the Council, Rick Hall of Barnes & Thornburg, Greg Balsaro of Baker Tilley, and Colin Snow of Ranger Power, Commissioner Tim Shumaker and Assessor, Sandra Whitaker. Many questions were concerns about the property taxes, if they would increase or decrease; how it would affect different units in that district. They were reassured that it would continue as it is presently as the real estate cannot be abated. If a tax abatement would be given, it would reduce the tax rate and increase the assessed valuation for the county. The County could receive between 7-8 million dollars in economic development payments. Some council members voiced their concerns about the abatement. Other members of the audience and some Council voiced concerns about the loss of farmland.

Hearing Closed at 10:07 a.m.

A motion was made by Jim McKee and seconded by Bill Glover to rescind Resolution 2022-36 as an Economic Revitalization Area. The area is located in Troy & Van Buren Townships and is generally within the area bounded on the north by Salem Church Road and West Osborn Prairie Road, on the east by North Corporation Line Road, on the south by I-74 and on the west by North 530 West.

DEPARTMENT HEAD REPORTS

Ambulance – Garth Kagels and Keri Townsend

Keri stated that a company NSure will get information from people or hospitals that she is unable to get for \$599.00 per month. NSure thinks they can get an extra \$30,000 per year for the county. They can try it out for 60 days and then report back to Council. They do require a 1-year contract if extended beyond the 60 days.

Also, the 2 new ambulances have been ordered, which will take roughly 12-14 months to be delivered. Pricing on a Remount on the current ambulance is \$245,385.00, if ordered now. He will be going to the Commissioners at their next meeting for approval also. This does not need to go through the bid process as it is on the State bid list.

Coroner - Josh Whittington

The On Call account is in the red. He will need to transfer. Council agreed if more money is needed for autopsy or on-call, it could be taken from the Council budget.

Sheriff – ANDREW KROUT

There are currently 74 inmates, 30 of which are out of county. They have ordered 3 new sheriff vehicles but would like to have a 4th one. The Council approved and asked that it be paid out of the CCD fund. An ambulance was budgeted in this fund but will not be used as the ambulance will not be delivered until late 2023 for early 2024.

Highway – Jason Lewis

They started the process for the Federal Funding for Bridge #66 on State Street. It will cost roughly 1.2 million, \$539,000 will be our portion in 2027. The bridge in Stone Bluff will be a full replacement and will be done 2024. Jason would like to pay off 2 leases with the MVH Restricted, if possible. All current projects, that are being paid by CCMG funds, the new blacktop is being striped.

READI GRANT – Council will review the handouts and re-visit it at the December meeting.
