DEPARTMENT HEAD REPORTS

HIGHWAY – Jason Lewis

Jason reported that they will be doing some chip and seal today and tomorrow. The work on Bridge#54 (Scottsdale Road) will begin next week. They had a tree company remove a large Sycamore tree from the area. They are also moving forward with Bridge #66 and #202. The Community Crossings Grant project is on schedule for August. They will be mowing roadsides soon.

HEALTH – Jenny Eades

Discussion was heard on the new health funding by the State. It is unsure if Fountain County will opt in at this time. They have a Health Board meeting on July 11 at 7:00 p.m. and should know more at that time. On January 1, the Council and Commissioners will each have an appointed person on the Health Board.

E 911 – Dana Stonebraker

Dana invited the Council to a demo session with the CAD software on July 26th.

CORONER – Josh Whittington

Josh reported that agencies outside of Fountain must call the coroner before performing autopsies on Fountain County residents. He anticipates more invoices especially from Marion County.

EMA

Dudley Cruea stated that Joe Whitaker had given his notice of retirement. His last day will July 28, 2023.

LANDFILL – Roger Azar

Roger reported that the well testing has come back and the wells are stable. He has talked it over with the Commissioners and will be contacting IDEM to

see if we can do a yearly testing since they have been stable for the last 8 times.

CEDIT Fund – An additional will be requested from County General – Commissioners budget to cover the group health insurance costs in the amount of \$500,000. The CEDIT fund is very low at this time.

Juvenile Housing – We will need another additional to finish out the new year. The Probation Dept had requested payment from another fund to pay for juvenile detention but it should have come out of County General. The Judge is asking that this be corrected. Once this is completed there will not be enough funds to finish out the year.
