UMBAUGH – LEASE RENTAL BONDS

Jason Semler, CPA Partner Umbaugh reviewed and discussed information regarding the Estimated Project Funding portion for the Lease Rental Bonds, Series 2018 in the amount of \$14,470,000 and the Cash on hand in the amount of \$2,100,000 for the Financing of the new Jail Project. He reviewed the handouts with the Commissioners and Council Members detailing the Total Estimated Project Costs of \$16,570,000 and that the county could possibly have enough money in 10-12 years to pay this off. This has saved the county \$70,000 annually by going with at least a 10 year call of the bonds. The first 2 years will have no payments to be made.

The Bond Sale will be May 16th and a Conference call will be set up sometime before noon for the Auditor, Commissioner, and Council to give approval to move forward. The Closing of Sale will be on May 30th and approximately \$1,000,000 of funds on hand will need to be transferred to the Trustee on the day of closing. Such funds are to be reimbursed, on a monthly basis as moneys flow in. If Rainy Day Funds are used, Rainy Day Fund ordinance will be amended.

A motion was made by Don Hesler and seconded by Tim Shumaker to approve the documents as presented to proceed. Vote: 3-0
